**A**

Two icons representing sound power level: a speaker icon with sound waves and a house icon with sound waves. Below the speaker icon is the text "50 dB". Below the house icon is the text "- dB".

Three icons representing power consumption: a dark blue square, a medium blue square, and a light blue square. To the right of each square is the text "05 kW".

An icon representing energy saving, featuring a clock face with a dashed line and a coin with an arrow pointing to it.
